The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief to certain PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2005 - 2009.

Our Mission is: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. We have been and will continue to support our mission.

The following describe our goals and objectives and our progress:

Goal One: In HUD's Strategic Goal of increasing the availability of decent, safe and affordable housing, we have attempted to expand the supply of assisted housing. Our specific objectives for this goal were to apply for additional vouchers as they become available and to maintain a high occupancy rate. We have applied for 50 vouchers from the Home Tenant Based Rental Assistance Program and have maintained a high occupancy rate of 97%.

Goal Two: To improve the quality of assisted housing by improving our housing management and voucher management scores. Our specific objective was to continue to be recognized as a High Performer by HUD. We recently had a score of 89, which is standard, but will strive to bring that back up to High Performer. Our SEMAP score is 100. In this particular goal, we also had an objective of improving customer satisfaction by increasing communications with the residents, encouraging resident meetings, and increasing resident programs. The Authority has sent our notices, newsletters, resident surveys and has resident meetings. Also, in addition to working with the Northwest Mission, we are trying to develop Girl Scouts and Home Extension Programs. We also maintained our score on Resident Surveys as part of PHAS (9 of 10 points). Our final objective under this goal is to renovate or modernize Public Housing Units. We continue to do this through the use of our Capital Funds.

Goal Three: Our objectives to increase assisted living choices were to provide voucher mobility counseling and conduct outreach efforts to potential voucher landlords. We have been meeting these objectives.

Goal Four: Under HUD's Strategic Goal of improving community quality of life and economic vitality, we have a PHA Goal of providing an improved living environment. Our objective is to implement public housing security improvements. We have done this by providing weekend security patrols with off-duty police officers. We also provide two units of public housing for the police officers. Another objective was to identify and assist families in obtaining needed services. We meet this by obtaining various brochures for the residents. We also hosted the Head Start Program last summer while they renovated their space.

Goal Five: The Housing Authority of the City of Springdale has a goal of promoting self-sufficiency and asset development of assisted households. Our objective is to provide or attract supportive services to improve the employability of the tenants by partnering with technical schools and employment agencies. We have had Northwest Arkansas Technical School come to the Authority to conduct meetings and discuss available classes. We also have an objective to provide or attract supportive services to increase the independence for the elderly or families with disabilities. Our approach was to partner with agencies such as Area Connection and the Elderly Nutrition Program for supportive services. We are doing this. We also work with Ozark Extension Services.

Goal Six: Our final goal is to ensure equal opportunity in housing for all Americans. We take every effort to ensure that everyone in Public Housing and Section 8 is allowed access to assisted housing, a suitable living environment and accessibility for the disabled regardless of race, color, religion, national origin, sex, familial status and disability.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan.

The Springdale Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a 30 day review by all participants before a corresponding change in the Agency Plan can be adopted:

1. Any alteration of the PHA's Mission Statement.
2. Any change or amendment to a stated Strategic Goal.
3. Any change or amendment to a stated Strategic Objective except in cases where the change results from the objective having been met.
4. Any introduction of a new Strategic Goal or new Strategic Objective.
5. Any alteration in the Capital Fund Program (CFP) that affects an expenditure greater than twenty percent (20%) of the CFP Annual Budget for that year.

In defining the above, the Springdale Housing Authority intends by "Strategic Goal" and "Strategic Objective" specifically those items in its Five Year Plan and any change in the above items will be considered a "substantial deviation" from the plan.

b. Significant Amendment or Modification to the Annual Plan.

Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these times are “significant amendments or modifications” to the Agency Plan:

1. Changes to rent or admissions policies or organization of the waiting list.
2. Additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.
3. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.
